

Arias and Arpeggios Studio Policy

Tuition

We offer two annual tuition packages divided into 12 equal payments. Elementary aged and older students may choose \$135/month for 30 minute lessons with any teacher. These rates are based on 42 lessons annually. Students taking more than one instrument must take 45 or 60 minute lessons. These rates are \$200 and \$260/month with a studio teacher respectively. We offer a preschool music class and a Little Jammers rock band class on the same lesson schedule for \$85/month.

Tuition is collected automatically on the 1st of the month via automatic credit card withdrawal. Families desiring alternative method of payment may pay by check for the entire session or year. No refunds will be authorized.

Families will be charged a \$50 annual fee **per student** every September.

Families should expect a small tuition increase every September.

Families are responsible for keeping track of the schedule via the studio website.

Teachers may need to reschedule lessons. These will be notified to you by Nicole. Your flexibility is appreciated.

If you need to cancel/reschedule a lesson you must let Nicole know no less than 48 hours in advance and she will offer two makeup options. If those don't work, you have the option to attend the hour long group lesson option for the month. No shows/no calls will not be made up.

No credits will be refunded for missed lessons.

Leaving the Studio

We will be sorry if you decide to leave the studio. Two weeks' notice is required. Prepaid tuition is not refundable.

Electronic Communication Policy

If there is a studio closure due to snow or any other reason we will post on Facebook and send an email and text blast.

The studio will communicate primarily through email. We may call or text for more immediate issues such as teacher cancellations. Please make sure you add our email addresses to your contact list so all emails are delivered.

We use social media often for announcements and updates. Teachers will not 'friend' or 'follow' students. Any information needed can be found on the studio's pages

Child Protection Policy

In order to create a safe learning environment for all children, we are committed to putting these measures in place:

During a private music lesson with a student under the age of 18 years, the instructor is required to teach in a room with a window or opened door.

Our owners are required to periodically (and without notice) check in on any private music lesson being taught to a person under the age of 18. This may be done by looking into the window, or checking an open door, being sure not to disturb the lesson and sacrifice the quality of instruction.

Parents are always welcome to stay in the waiting area within earshot of a private lesson. If they find it necessary, a parent is welcome to check the window or open door at any time without disturbing the lesson.

In situations where a group class (two or more students) is being taught, there will always be at least one adult in charge. Typically, there will be at least two adults due to the nature of the classes that we teach.
